April 18, 2011

Dear members

We hope you are enjoying the spring weather, and having fun helping shed out your horses from their winter woollies.

We have a number of things to report and to ask you so this letter is written more like a newsletter.

Website is revamped and we expect it to be in the new format by the end of the week.

Therefore:

1. If you wish to be on the breeders list (website), please let us know and make sure you indicate which breeders list you wish to be listed with. We have three categories:
 - Friesian,
 - Arabo-Friesian
 - Friesian Sport Horse

Please include member name, farm name, address, contact information & web site. We require that a reciprocal link for CFHA be posted on your web site.

Here is an example of the format:

Friesianhorse Acres

Linda Miller
2385 -Sunshine Street
Maxtown, British Columbia
V9T 2A3 Canada

Telephone: 609.587.2198
E-Mail: linda@friesianhorseacres.ca
Website: www.friesianhorseacres.ca

2. We have a classified page, and all members in good standing can advertise anything that is horse related on the website for **FREE !** This could include horses, trailers, tack and carriages. I can tell you from personal experience that the page gets a lot of hits for my Friesian sport horse mare.

3. We also have a page called E-Stores. This is for merchandisers to showcase their products and for the rest of us to buy them. So if you are a retail outlet or have Friesian and other horse related goods to sell check it out. The cost is free for members or \$50 for non-members.
4. Any website questions please send an email to info@canadianfriesianhorse.ca

Slogan for the Association

We are inviting all members to come up with a slogan for the association. Please remember that we have three different equine focuses and that this slogan represents us in Canada. The board of directors will make a decision by middle of May and the winner will get a prize. So get your slogan thinking caps on and send them in as soon as you can to our info@canadianfriesianhorse.ca email address.

Inspection Tour 2011

We had a lovely inspection tour last year and if you have not had a chance to see the pictures or read the scores please do. They are on the website.

We would be interested in surveying the members to see how many horses you would like to inspect in 2011. We will use this info to decide if we will have an inspection this year, and location and duration if we decide to go ahead with one.

Since our judges already started to schedule inspections for the year 2011 we don't have much time to book them for our tour. **Please respond by May 15,2011 at the latest.** We are planning to start our inspection tour mid of September 2011.

Again, if you have horses and are interested in being part of an inspection, please write to our email address info@canadianfriesianhorse.ca and include in your email, ages, breeds and gender of your horses that you wish inspected. Please send it as a separate email from the slogan.

Foal names for all breeds that we register

Foaling season is upon us and it is time to come up with names for those foals that will be registered with us. All foals that are registered with CFHA, including Friesians, Arabo-Friesians and Friesian Sport Horses are to be named starting with **J or K or L.**

These are their registered names, their barn names can be whatever you prefer.

Please send in the paper work as soon as you can so that we can get your new foal registered.

Facebook

Remember, we have a facebook page and would love to see pictures of all those new foals! And keep the pictures for next years calendar.

We look forward to receiving your emails with slogans and inspection information and we wish you a lovely spring, many healthy foals, great riding and driving.

The board of directors
